

CLASS OF 2022

GRADUATION

With more than 40 years of Ministry behind him and looking forward to many more years carrying out the will of the Father, Dr Theo was impressed by the Lord to begin developing Sons and Daughters who would go out and do likewise.

By teaching the truths imparted to him by the Lord, these called and anointed men and woman would then be qualified to go out and teach others.

2Timothy 2:2 (NIV) *“And the things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others.”*

It was this scripture that brought about the birth of CFCI Bible College. From Dr Theo’s messages & life experiences, modules were developed and a curriculum compiled;

1st year is aimed at cultivating intimacy with God through personal relationship

2nd year students will be encouraged to fan into flame the gifts given them

3rd year is impartation year. Students are equipped with the practical business skills and wisdom needed to run a successful ministry.

4th Year is establishing the foundations of Theological Studies.

5th & 6th Year is building on the foundations of Theological Studies.

Currently running in its 16th year CFCI Bible College is totally committed to ensuring that students are equipped to achieve all that God intends for them to be effective in His kingdom.
