

# **GOD LEADS US IN EVERY SEASON**

## **SCRIPTURE:**

Take a moment to read over the two scriptures below:

**Psalm 23 and Luke 15:1-7**

## **GROW:**

Reflect and meditate on the scriptures. Ask your kids the following questions, and share your answers afterwards.

1. What is one fear or burden you need to surrender to God's guidance?
2. How can you embrace the rest and restoration God offers?
3. How can you reflect God's love by seeking out those who may feel lost or lonely?
4. What is your next step?

## **TALK:**

Sheep need a shepherd because they don't always know the right place to go. We don't always know where the day will take us too. That is why we need God.

The Bible says that God is a lamp unto our feet that He lights our paths as we go. But we have to trust that where He leads us will be where we can fulfill the purpose He has given us.

## **PRAY:**

Pray that you might listen to God's voice and follow where God leads.
